

EMMANUEL COLLEGE
within The University of Queensland

RUGBY SCHOLARSHIPS

Emmanuel College's Rugby scholarship was created in 2009. It is a scholarship of part relief of fees awarded to a student who has been accepted into any discipline at The University of Queensland, shows sound academic ability and a significant talent for rugby.

Emmanuel College has enjoyed a fine rugby tradition over the years, producing a number of Wallabies captains and many talented rugby players including Charles 'Chilla' Wilson, David Crombie, Paddy Batch, Paul McLean and Nathan Sharpe.

Nathan recorded a message of greeting for guests at the 2009 Emmanuel rugby dinner as he was unable to attend in person and spoke of his Emmanuel days with great fondness. He said his time at College had played an important part in his upbringing and urged guests to dig deep to support the rugby scholarship which he described as "a fantastic initiative."

The College is keen to rejuvenate its rugby tradition with all the benefits it brings to the College community – teamwork, leadership, a commitment to achieving goals, determination and perseverance, innovation and imagination, good sportsmanship and integrity.

Emmanuel College is committed to providing an outstanding residential and learning experience for a student who demonstrates these qualities and inspires them in others.

The scholarship is awarded on application and will be renewable on the student continuing to achieve at a high level academically and making a positive contribution to the life of the College.
