HIGHER DEGREE RESEARCH (HDR) SCHOLARSHIP AT EMMANUEL COLLEGE

Who can apply?

University of Queensland (UQ) full-time higher degree research student (preference given to PhD students)

Value of scholarship

\$10,000 per calendar year towards residential fees for up to three years (possible extension to a fourth year) dependent on annual review of HDR research and/or supervisor's report

Details

The HDR Scholarship may be offered to up to six students (approximately one per UQ faculty) at any one time. Prospective scholarship holders should [apply online](#) for residence at Emmanuel College.

It is expected the student will:

- be involved in collegiate community life, which may include taking part in sporting and/or cultural activities, or coaching and assisting sporting and/or cultural teams
- attend relevant College events (eg formal dinners, Founders' Day)
- be a good role model for, and be willing to mentor, undergraduate students
- participate in Senior Common Room activities and, on occasion, organise Senior Common Room events

The student may be asked to tutor in their area/discipline of expertise (paid at tutor rates) and/or contribute to the "SuperTutes" program as appropriate to their discipline/research (unpaid).
