Emmanuel College Non-Residential Member Program

Emmanuel College's Non-Residential Member Program (formerly known as the Associate Member Program) delivers key aspects of the College experience for first-year students of The University of Queensland who, although they do not live in College, want to be involved in the academic, networking, mentoring and social aspects of Emmanuel College life.

Programs, facilities and services you can benefit from and enjoy as a Non-Residential Member include:

- Emmanuel College Orientation Week
- Discipline-based tutorials (60+ per week) taught by qualified academics and industry professionals
- State-of-the-art learning and quiet study areas including Academic Centre, Gill Student Centre and tutorial rooms
- Dining Hall access, including daily lunch with fellow collegians
- Academic mentoring, student wellbeing program and access to qualified social workers on staff
- College chapel services
- Discounted UQ Sport Lifestyle Package membership
- Use of the College's basketball/netball court
- Free bagpipe or drum lessons upon joining the Emmanuel College Highlanders at UQ pipe band
- Music practise rooms equipped with pianos and a drum kit
- Cultural activities and community service projects offered throughout the year
- Academic prizes and awards for Non-Residential Members who achieve a high academic standard.
