While Emmanuel College's operations are organised around The University of Queensland (UQ) calendar, currently 20% of our students attend other Brisbane-based universities. In 2021, our standard fees cover normal residence for 34 weeks in line with the individual student's university academic semesters. This adjustment will accommodate academic requirements of universities other than UQ. There will only be additional charges for occupancy outside the 34 weeks.

No credit is given for periods of absence from College during university semesters, and additional charges are raised for periods prior to the commencement of, and after the end of, the academic semesters. The daily residence fee for all students who require residence in excess of 34 weeks is \$80 per day.

A flat fee of \$500 per week is available for the mid-year break between semesters. To allow for planning of College's operational requirements these bookings must be made and paid for by 1 June 2021. Bookings made and paid for by 1 May will receive a 10% discount (\$450 per week). Students will also have the option to store their belongings in their rooms for \$200 for the mid-year break.

**Fees must be received by the due date. The College may refuse entry if fees are not paid in full before check in. Refunds are only granted at the discretion of the Principal, and only in exceptional circumstances.**
